LIGHTING WELCOME

PAL Lighting 2020 Catalogue

We are the producer and manufacturer of the world's most advanced and evolving pool lighting systems. The PAL range provides you with the products to create statement pools with exclusive atmosphere.

We specialize in lighting a wide range of spaces from small spas and plunge pools to immense resort pools with lagoons, cascades and children's swim/play areas. Our unique designs also come with the option and luxury of complete control over Colours and ambience.

Our success is derived by the uncomplicated combination of basic illumination principles, strong creative and innovative vision and the latest technology in LED lighting, resulting in the leading quality products of PAL.

All prices shown in this catalogue include GST.
